Tips to Maximize your Day

The Virtual Career Fair is designed to get you closer to your next professional adventure. Meet with companies and recruiters who are hiring now, and take advantage of invaluable advice for navigating the workplace today.

EXPERT TIP

HERE'S HOW

#1

Promote Yourself

Set up your profile with as much detail as possible. Complete every field to maximize your experience and make it easier for companies to find you.

- First time logging in, enter your email address and password "PennWomen22" to access profile setup.
- Click the person icon in the top right corner to make profile edits anytime.

#2

Chat with Recruiters

The Career Hub is filled with employers who are hiring right now and excited to meet qualified candidates like you. Conversation is made easy using the text chat feature in each booth. You can even ask employers to initiate a 1:1 video chat with you instead, or schedule one for another day.

- From within any booth, click in the chat to talk with recruiters.
- Or - click "Schedule" to schedule a 1:1 video meeting. ****NOTE: you can schedule your meetings starting at 10am ET.****
- Scheduled meetings will show up in your agenda.

#3

Expert Advice

The Learning Stage within the Career Hub is home to live and on-demand content offering resources, tools and advice to help enhance your skills and maximize your job search. Plus, check out hiring employer booths and the Conference's own Career Hub link for even more in-depth content including tips, ideas, and perspectives.

- Click on Learning Stage from the navigation bar or from within the lobby to access content.
- Click on "Enter" from the lobby to explore the employer booths and the Conferences for Women Career Hub link for more resources and expert advice.
