About the Conference

The Pennsylvania Conference for Women is the largest conference for women in the Commonwealth. It is dedicated to advancing women in the workplace and creating a community of women supporting women. [More](#).

What's Unique about 2023

- It is the 20th anniversary of the conference, which has been meeting annually since 2004.
- It is the first year the conference is being held fully back in-person since the pandemic.
